STAR ACTORS

Four short years ago 115 "very green" Freshmen entered the halls of New Haven. The time for graduation seemed very far in the future. But now, that we are about to leave these great halls of learning, we realize how short these four years have been.

We think of all the wonderful activities — games, dances, and parties —we enjoyed. We, members of the graduating class of nineteen hundred and fifty-four, have had our share as officers of the many different organizations during our time at New Haven High School.

Although we must leave these halls, we shall always remember what our sponsors and the faculty have done for us. Although we say "farewell" to our instructors and the undergraduates we shall never forget that New Haven High School is our Alma Mater.

The members of the Business Staff of the Mirage had their busy season at the beginning of the school year. At this time they get the business people to sponsor our annual and the students to subscribe for it. The Business Staff did a fine job this year in raising money for our year book.

SPORTS WORLD

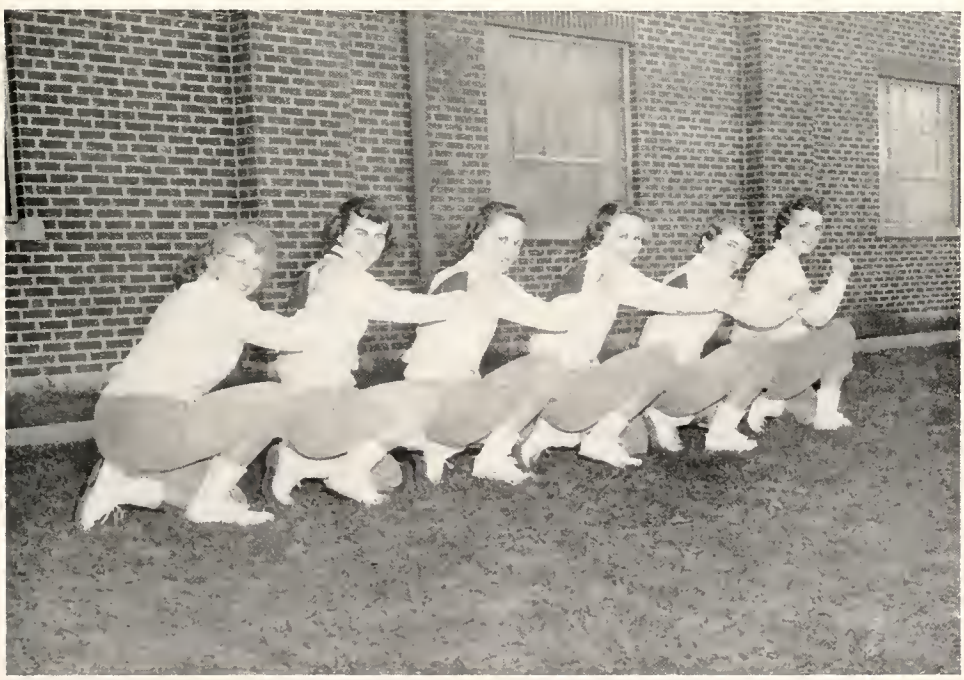
The football coaches—Paul Armstrong, Red Sering, and Scott Armstrong, head cooch, hove coached our team in the most victorious season of our school's history.



The school spirit was kept in action by Bonnie Perkins, Marie Beard, Jane Poirson, Jeanne Poirson, Joan Bicker, ond Emmalyn Nord.

Team Sets Record

The 1953 New Haven High School football team played the most successful season in the school's history by winning all of their eight games for an undefeated season. They also won the North Eastern Indiana Conference. In accomplishing this feat they scored 226 points and held their opponents to 27 points. They were rated 11th in the state of Indiana at the end of the season and were one of only seven undefeated teams in the state. Many of the players were named in connection with All-State Indiana High School teams.

Captain and center John Coe was named on the Indianapolis Times third all state team.

Left Halfback Ronald Huffer was given honorable mention on the same team.

Quarterback Jack Lake, Center John Coe, Guard Marvin Judt, and Halfback Ronald Huffer were all given honorable mention on the United Press All State High School team.

Nine New Haven players made the all N.E.I.C. conference team. John Coe, Marvin Judt, Jack Lake and Ronald Huffer made the first team. Joe Malott, Wayne Peck, Ralph Bearman, and Dwyine Allgood made the second team. Lou Hildinger made honorable mention.

The 1953 Bulldog grid team possessed a potent offense which averaged 28¼ points per game. This offense was made possible by excellent blocking by the line composed of Malott, Bearman, Randolph, Judt, Coe, Peck, and Murphy. The Bulldogs did not rely entirely on their rushing game featuring Huffer, Allgood, Lake, and Bob Mattingly but also had a devastating aerial attack featuring Malott and Bearman on the receiving end with Allgood, Lake, and Huffer passing.

The teams defensive work was outstanding. They held their opponents to an average 3⅜ points, only three teams scoring against them. This was made possible by on-the-field leadership of John Coe, with help from Lou Hildinger, Vernon Frisby, Larry Glaze, Ronald Mills, and Larry Randolph.

Outstanding quarterback work was done by Jack Lake and Vernon Frisby.

Kicking point after touchdown was capably handled by Ronald Huffer. John Coe's centering was exceptional as he made no bad passes all season.
